FOCUS ON THE FACTS

Each lesson will start with a share and care question so you get to know others. Always start with a prayer. Read Scripture and answer the questions. You will find facts right from Scripture so you will know what the Bible says not just what scholars think. At the end of each lesson is a FOCUS ON THE FACTS summary to put everything you learned together in about an hour. Finish with the Lord's Prayer. (Luke 11:2-4) Let the Holy Spirit guide you.
